

The new e-Factor!™ game is finally here!

**e-Factor!**™

*Engage as a team in a fun, enlightening interactive board game*

**“Find Out What *Your* Team Would Do If.....”**

- *The financial analyst reported the trend that office supplies rose at least 25% every August?*
- *A sales rep traveling for the company bought a winter coat and charged it to the company?*
- *The operations VP gave your top customer a special return allowance at quarter-end?*

Create a fun and safe environment for your entire team to discuss the choices they might make in real-life ethical dilemmas

Watch the video about e-Factor!™ and how it was created!
